# Veena Sivaramakrishnan

Partner

Banking & Finance

Veena Sivaramakrishnan is a key Partner in the Firm's Banking and Finance and Insolvency and Bankruptcy Practice with over 16 years of experience.

Veena has significant experience in Banking, Financial Services Regulatory, Financing, Derivatives, Insolvency, Bankruptcy and Restructuring. Veena has been a part of many "firsts" for her area of practice, by either being involved in the mandate or by advising the industry on such a transaction. These transactions include the NBFC merger of Capital First and IDFC Bank, first successful debt and equity restructuring under the SDR regime of RBI, involving the sale of Hyatt Hotels Pune to SAMHI group, legal validity to OTC derivatives under Indian laws and the introduction of Credit Derivatives, successful restructuring of sale of Leela Hotels to Brookfield, issuance of the first partly paid NCD structure, winding down of regulated entities such as banks and NBFCs in India, setting up of a special liquidity trust under the directions of the Government, to cater to COVID-19 related defaults and asset monetisation structures for easing liquidity to NBFCs, etc.

Clients praise Veena for her 'firm grasp of banking as well as applicable regulations' with her vast experience in derivatives is highly valued. She has the ability to 'provide commercial inputs over and above the legal advice' and to 'offer alternative solutions'. Clients describe her as 'proactive, approachable, responsive and timely, good technical skills, very professional, very sharp and relationship driven.'

Veena has worked at Juris Corp for over a decade across varied areas of practice impacting banks and financial institutions and at ICICI Bank mainly for its offshore operations. While at ICICI, she was based in Canada and worked in setting up the wealth management subsidiary, and worked with Davis Polk and Wardwell in New York on secondment primarily to set up the New York branch of ICICI.

## Select Experience Statement

### Restructuring, Insolvency and Bankruptcy

Veena has significant experience in restructuring under the erstwhile Reserve Bank of India guidelines relating to restructuring and revival of distressed assets (CDR/ JLF / SDR / S4A/ Feb 12) and the ever evolving Insolvency and Bankruptcy Code, 2016 and the RBI Guidelines on Restructuring, Veena has specifically advised on restructuring strategy, pre-litigation measures and litigation. She has been the lead partner representing banks in restructuring and derivatives disputes from a strategy perspective for cases adjudicated through international arbitrations, NCLT, DRT and other civil proceedings in India..

## Financing

Veena has significant experience in cross border financing, acquisition financing, trade finance, securitisation and receivable financing structures. She has been the lead partner representing banks in structured and secured financing mandates requiring analysis of stamp duties and registration requirements at the State level. Cross border structured financing is Veena's core practice.

- Portfolio companies of fund houses like **Brookfield, Blackstone, TPG Global**, etc. for financing (including asset financing and acquisition financing) being availed (a) in India or (b) with support of the Indian entities or (c) for ultimate investment in India,
- **Barclays Bank PLC** in relation to loan facilities to the tune of INR 12 billion extended to various telecom players in India such as: (i) Aircel Limited; (ii) Dishnet Wireless Limited; (iii) Vodafone India Limited and its group entities; and (iv) Telenor (India) Communications Private Limited, respectively for myriad purposes which included acquiring right to utilize spectrum, meeting telecom related expenses etc. The transactions entailed inter corporate guarantees or cross-border SBLCs being extended in favour of the bank.
- Preferred lenders legal counsel for borrowings by **Reliance Industries Limited ("RIL")**. Facilities include ECBs, ECA backed financings and SBLC backed financings.
- Financing of **Blackstone** in its acquisition of Serco BPO Private Limited.
- Financing for acquisition of GE Capital Services India and GE Money Financial Services Private Limited by **Plutus Financial Private Limited**, a Mauritian company.
- **NBFCs and banks** on entire suite of documentation relating to lending and security creation and in specific advising NBFCs such as Credit Suisse Finance India Private Limited, Morgan Stanley India Private Limited, Goldman Sachs India Private Limited, Religare Finvest Limited, Tata Capital Financial Services Limited, Tata Motors Finance Limited, IFMR Capital for their various financing, structured products and securitisation mandates.
- Indian operations of a foreign bank in relation to the sale / assignment of invoice / bills receivable by a person resident in India keeping in mind the applicable provisions of the Factoring Regulation Act, 2011, and the applicable rules made thereunder, read with relevant circulars, notifications and guidelines issued by the Reserve Bank of India and the Transfer of Property Act, 1882.

## Derivatives and Payment Systems

Veena has significant experience in this niche area of practice and is the Partner responsible for setting up this practice in the Firm. Foreign banks and ISDA consider Veena as the go-to person for derivatives and clearing corporation related issues. She has been the lead partner in the following transactions:

- Working on the industry opinion on netting and collateral for derivative transactions (including through CSAs) for International Swaps and Derivatives Association (ISDA).
- ISDA documentation and advisory work for OTC derivative transactions for foreign banks in India.
- Analysing legality of various OTC derivative trades and assisting banks in derivatives disputes with corporate clients, especially on account of the global financial crisis.

Shardul Amarchand Mangaldas

- Analysing central counterparty norms in India to evaluate equivalence and recognition by European regulators.
- Banks on their participation in Value Transfer Networks, which include stock exchanges, clearing houses, central counterparties and payment systems.

### **Precious Metals**

Veena has significant experience in this niche area of precious metal financing and regulatory scrutiny. Foreign banks consider Veena as the go-to person for commodity financing structures. She has been the lead partner in the following transactions:

- Foreign banks including Standard Bank PLC, Citibank N.A., Bank of Nova Scotia and ICBC Standard Bank PLC in relation to transfer of title and risk on precious metals, insolvency of the importer and other regulatory parameters involved in import of precious metals into India and capacity and authority of banks and corporates in India to deal in various kind of precious metals.
- Assisting in standardizing the entire suite of documentation for Banks in relation to their bullion lending business in India.
- Foreign bank in appearances before CBI, ED, EOW and tax authorities in relation to bullion transactions.

### **Debt Capital Markets and Structured Products**

Veena has significant experience in debt capital markets and structured products invested specifically by foreign portfolio investors. Offshore synthetic exposures to these products from an FPI perspective is also what Veena regularly advises on.

- Fund raising by Brookfield portfolio entities through structured NCD issuances, linked to acquisition finance.
- Assisting foreign owned NBFCs on issuance on Equity Linked Notes, Commodity Linked Notes and other structured products / market-linked products to investors in India.
- Assisting in documentation for various NCD issuances for the real estate and manufacturing sector in India.
